

Criminal Record Relief Clinic

Empowering the tribal community to pursue post-conviction relief

Join us for a **no-cost** virtual clinic to learn about the different criminal record relief options available in San Diego County. Hear from local experts about record* expungements, reclassification of felonies to misdemeanors, early termination of probation, and relief under Prop. 47 and Prop. 64.

Clinic highlights include:

- Presentations by the San Diego County District Attorney's Office and the San Diego County Public Defender's Office
- Resources for individual record relief
- Follow-up email with additional information
